I am writing to you to tell you about a new organic frozen yogurt for dogs called yoghund ([www.yoghund.com](http://www.yoghund.com)). My dog loves it and I would love to be able to buy it at your store. It is an organic product made in New Hampshire and it is truly a one of a kind product. Please consider making this wonderful product available at your store.

Thank you for considering my request. I have included the company contact information for your convenience.

Best regards,
